8/1/20.

As the various claims put forward by the applicants appear to be, apart from the question of liability, of great magnitude substantiable.

It does not appear that the records there is a copy of a Muchalka which purports to have been executed by one of the applicants (dated 27-4-99) in which he claims Rs 1000/- as compensation in respect of the removal of soap nutbushes by the Revenue Authorities. A "Note" or report with a statement, evidently prepared by the Revenue Authorities on the applicant's representation shows that of the acquired lands

NOTE—Contn sheet

acquired lands belonging to him, 39 acres & 16 guntas had "Avare crop and 12 guntas "Ragi" crop, standing thereon.

4. The records further show that all these claims are being urged time after time by the applicants. The facts are also practically admitted except in respect of the quantum of the claims

5. Under these circumstances I am of opinion that the claims are sustainable. But it may be pointed out that they appear to be very much exaggerated

To,

M.Visvesvaraya Esq., B.A., L.C.E., M.I.C.E., C.I.E.,
Dewan of Mysore,
BANGALORE.

Honored Sir,

We, Anoor Krishnamachar and his son Anoor Desikachar, Kayamguttadars of Ranganathapur near the Malleswaram --- Extension, respectfully beg to bring the following facts into your kind consideration and for favor of early orders.

I (1) In consequence of the out break of Plague at the Bangalore City in the year 1898, the Malleswaram Extension was opened by the Government As our village adjoins this extension, the Revenue authorities on Sanitary grounds, cut down the soap-nut bush (Seegebeli) -- which was on 3 sides of the village, in accordance with the notice dated 24th November 1898, issued to us by the Bangalore Taluk Amildar In regard to the loss sustained by us, the then City Amildar Mr Subba Rao took on 27th January 1899, a statement in which we have shown that the loss accrued to us by the permanent destruction of the bush, amounted to Rs 2000/- An authenticated copy of the statement is herewith submitted for reference and kind return.

(2) The survey Nos 19,20 and 21 of our village were acquired by Government for the Malleswaram Extension in the year 1898, and compensation was duly paid by the then Acquisition Officer the late Mr Cuppaswamy Naidu

But

But at the time when these lands were taken possession of by the Revenue authorities, cow-gram crops existed in a large area out of the same With a view to compensate for the loss of these crops, the Revenue authorities deputed a Mojinidar to measure the acquired lands in which such crops existed Accordingly the Mojinidar measured the lands and prepared a statement showing that cow-gram -- crops existed on 3[illegible] acres 16 guntas, and Ragi crops on 12 guntas. The produce of these crops were enjoyed by the purchasers of the building sites, as the lands were sold to them as building sites wher the crops existed on them.

(3) For the purpose of making a road from Malleswaram to Palace Guttahally, 1 acre 24 guntas of land were acquired by Government in the year 1902-03 Compensation for the same was fixed at Rs.192-12-0, but on account of the cow-gram crops &c which existed on the land at the time when it was taken possession of by the Revenue authorities, no compensation was calculated A deposition was taken on this subject by the Amildar of the Bangalore Taluk on 13-11-1911, which was sent by him to the Municipal office.

(4) 2 guntas of land were acquired from our holding (survey No.46/Re S.No.10) in the Jakkasandra village, for the aforesaid road. Compensation was fixed by the then Deputy Commissioner at Rs.5/- This item is also mentioned in our deposition taken by the Amildar on 13-11-1911

(5) For the compensation of the Champaka Avenue Road to meet the Tumkur Road 1 acre and 16 guntas were acquired by Government in our village In our petition dated 13-1-1909 compensation was prayed for at Rs.500/- per acre on the ground that these lands had been reserved

by

by us for building purposes, and that the upset price fixed by Government for the sites of Malleswaram is -- Rs.435-9-7 per acre In addition to this, we claimed - Rs 80/- for the loss of crops which existed at the time when the lands were taken possession of by the Public - Works Department, and Rs.170/- for the loss of Tamirind and Honge trees.

(6) On 11th July 1908, the then President wanted us to make over survey No.3 for the requirements of the Malleswaram Extension. He got 1 acre and 21 guntas --- measured out of it, while the total area of it is 2 acres and 30 guntas 4 large mango trees, 1 tamirind tree, 1 Jalari tree, 1 Bael tree existed in it. Compensation has to be paid by the Municipality both for the - lands and the trees.

II. We submitted numerous petitions to the Deputy - Commissioner for the settlement of the compensation due to us for all the above items. He referred all of them to the President of the Bangalore City Municipal Council for early disposal. As the late President did not settle our claims, we sent an -- urgent reminder to the present Honorary President who referred it to the Vice President for early disposal The latter who - issued necessary notices to us lately, told us that he could not personally settle the 1st two cases mentioned in clauses (1) and (2) above, as these refer to matters which took place long before the Malleswaram extension was transferred to the Municipality, and that he has therefore sent them to the Honorary --- President for orders. The latter officer tells us that compensation for these two items has to be paid by the Revenue authorities, and that we should therefore apply to them for the same Hence this appeal to your honour. In connection with this -- subject we respectfully submit the following facts for your - consideration.

pleased to issue orders for the early settlement of the compensation and interest thereon, due to us.

Bangalore,
20th April 1914.

We beg to remain,
Honored Sir,
Your most obedient servants,

Khaymguttadars,
Ranganathapur Village near Malleswar

Bangalore, 20th April 1916.

To the Secretary,
Bangalore Co-operative Bank Ltd.,
Bangalore.

Sir,

I beg to submit my application for the post of Accountant in the Bangalore Co-operative Bank Ltd. I have had a good education and have passed the Matriculation Examination. I have also had some experience in keeping accounts. I shall be glad if you will favour me with an interview, when I shall be able to explain more fully my qualifications for the post.

Yours faithfully,
K. Venkatachalam.

Please see Dewan's Note dated 11th March 1913 attached hereto

2nd 342-13 D6712

816

To,

M. Visvesvaraya Esq., B.A.,L.C.E., M.I.C.E., C.I.E.,
Dewan of Mysore,

Honored Sir,

I. In continuation of the petition which we presented to your honor on Friday the 24th Instant, we, Anoor Krishna machar and his son Anoor Desikachar, respectfully beg to bring the following details into your kind and dispassionate consideration -

(1) Under Government Notification No.11705-Mis-3455, dated 23rd April 1900, the following lands of our Kayamgutta Ranganathapoor village were declared to be acquired for the Malleswaram extension of the Bangalore City -

Survey No.	Area. Acres.	Guntas.
1.	2	18.
2.	3	23.
3.	2	30.
19.	25	22.
20.	24	34.
21.	16	16.

7

(2) But previously in the year 1898-99, in consequence of the 1st outbreak of Plague at the Bangalore City in the year 1898, and before the formal publication of the above cited Notification in the Gazette, the late Mr.Kuppuswamy Naidu who was an Assistant Commissioner in the Bangalore District, and who was appointed Special Land Acquisition officer, took possession of Survey Nos.19,20, and 21 and portions of Nos. 2 and 3 and had them surveyed

for forming roads, conservancy lanes, and also caused -- building sites to be marked out. He allowed Ragi crops to be cut and removed from the fields by our tenants, but cowgram crops were just blossoming when the cultivated - lands were marked out and sold as building sites. He -- paid us compensation for survey Nos.19,20, and 21 and -- deferred payments for the portions of Nos 2 and 3, on the ground that he had to ascertain the exact area included in the roads and building sites, and when we applied to him for compensation for the loss of cow-gram crops in the said survey Numbers, he issued order No.645, dated - 22nd December 1898 to the special Deputy Amildar, Mr.--- Subba Rao to ascertain and report the exact area in which cowgram crops were lost. Accordingly the Deputy Amildar had such area accurately measured by a Surveyer (Mojinidar) who prepared a detailed statement in January 1899, in our presence, showing that cowgram crops were lost in 39 acres 16 guntas, and ragi crops in 12 guntas. This was submitted to the Assistant Commissioner, but no compensation has been paid to us for the same as yet.

(3) In the same year 1898-99, the said Assistant Commissioner caused the Soegebeli (Soapnut bush) which had thickly grown on 3 sides of our village and from which - we used to derive a revenue of Rs.50/- to Rs.60/- per -- annum, to be cut, and totally destroyed, on the so-called - sanitary grounds Our village site which is inhabited, - was not then and is not still in the City Municipal --- limits. Ancient people caused soapnut bushes to be planted all round village sites, not only for its valuable produce, but especially for protection from thieves. The Police circular requiring the residents of villagers to carefully maintain soapnut bushes around villages, is still in force Therefore we are at a loss to know under what rule or order the Assistant Commissioner destroyed the -

the soapnut bush of our village. On asking him for compensation for the loss of one of the sources of our ... revenue, he ordered the Deputy Amildar to report on it. - The latter came to our village and took a Mutchlika from one of us, Krishnamachar, as to the amount of loss, and submitted it with his report. Then we petitioned the Assistant Commissioner again on 20-5-1899, but our claim - remains still undisposed off.

(2)

(4) Unfortunately for us, the aforesaid Assistant - Commissioner and Deputy Amildar who were acquainted with details, died before our claims were fully settled, and the changes which took place in the officers and clerks, - created confusion in the records which has been the ... cause of delay in settling our claims.

(5) In the year 1902, a new road from Malleswaram to Palace-Guttahally was designed by the Sanitary Enginner, who took on account of this road 1 acre and ?4 guntas in our Ranganathapur village, and ? guntas belonging to us in Government Jakkasandra village. The Deputy Commissioner fixed Rs.192-12-0 for the former and Rs.5/- for the - latter, took mutchalikas from us on 15th February 1902 - and took possession of the lands with crops thereon, but he did not calculate compensation for the loss of crops which were destroyed before they ripened. He promised - to fix a reasonable amount aftergetting some information which he called for from the Deputy Amildar. The Sanitary Engineer, for embankments in this road, took from our lands the required quantity of earth, for which he paid compensation on our repeated applications, but neither he nor the Deputy Commissioner has paid us compensation for the ... lands taken from us, and for the loss of crops which stood thereon.

7

(3)

(6) On our submitting the reminder on 16-10-1902 to the Deputy Commissioner regarding the compensation due to us for several items, he issued orders to the Treasury -

officer to do the needful for the early settlement of all our claims. On 24-11-1902, the then Treasury officer issued a notice, stating that he will settle compensation for the portion of lands acquired in survey No.2, but he did not settle it.

(7) Subsequently, the Deputy Commissioner acquired in our village, a plot of ground for the cremation ground on account of the Brahmin residents of the High Ground, and paid us a compensation of Rs.320/-, but because the inhabitants of Malleswaram and Palace-Guttahally complained that this ground is close proximity to their houses, it was returned to us. Therefore the sum of Rs.320/- received by us and the interest thereon have to be deducted from the total amount of compensation due to us for several pending items. The delay in settling the same is evidently due to the frequent change of Acquisition officers.

(8) No officer attended to this subject until the City Magistrate was appointed the Acquisition officer in 1905-06. On 26-5-1906, the then City Magistrate Mr. Balasundaram Iyer seems to have taken up our cases for disposal, because on that date he issued us a notice under sections 9 and 10 of the Land Acquisition Regulation, stating that the Government intend to take possession of 1 acre and 28 guntas out of survey No.2 of our village, and requiring us to appear before him on 18th June 1906 in connection with the compensation payable for the same. Accordingly we appeared before him, but he did not attend to it.

(9) There was again a change in the Acquisition officer, Because on 25th September 1907, the then Vice President of the City Municipality Mr.M.E. Krishnaswamy Rao, issued us a similar notice requiring us to appear before him on 12th October 1907, in connection with the compensation payable for 1 acre 28 guntas out of survey No.2. We complied with the notice. In May 1908, he

he awarded us a compensation of Rs.524-6-9 including --- interest up to date as per his order which was submitted to your honour with our former petition, and which was - returned to us after perusal. This land was taken possession of by the Revenue and Sanitary Engineering ---- Departments and utilised partly for roads and partly for building sites which were built upon in the year 1900. We beg to submit that it is quite inconsistent with the provisions of the Regulation and therefore irregular and illegal that 9 years after the land had been actually taken possession of and utilised for the purpose of the Malleswaram extension, a notice should have been served upon us once on 26-5-1906, and again on 25-9-1907, intimating - that Government intend to take possession of it. The Vice President should have simply made an award and issued a - notice to us regarding the same. However, we are thankful to him for having disposed off atleast one of the long - pending cases. He had promised to dispose off the remaining cases also are long, but unfortunately he was transferred to Mysore; and again here was interruption for the disposal of our claims.

(10) On Mr.N. Subba Rao's appointment as the Vice -- President, we urged him to settle our long pending claims for compensation. He simply gave an endorsement No.653, dated 12th February 1909, to the effect that requisitions have been sent to the Deputy Commissioner and Sanitary - Engineer for the connected reports and that on receipt of of the same, the compensation due to us will be settled Some months after this, the Bangalore Taluk Amildar sent us a summons on 18th August 1909 asking us to appear --- before him on 2nd September 1909 for enquiry with reference to our petition to the Vice President for compensation due to us Accordingly we appeared, but he had no time to attend to our case until 13-11-1911, when he took

a deposition from one of us, Krishnamachar in regard to our pending claims and forwarded the same to the Municipal office with his report to the effect that no records bearing on the same were in his office, as the whole of them were transferred to the Municipal office after the transfer of the extension to the Municipality. Owing to the frequent changes of the clerks and officers dealing with the subject, the records are apparently mislaid in the -- Municipal Office. The compensation register opened and regularly kept by the late Mr Kuppaswamy Naidu, if found, and the register in the Treasury will show that compensation has not yet been paid for the items referred to by us.

(11) In August 1908, the Sanitary Engineer's subordinates surveyed and marked out and commenced the formation of the continuation of the Champaka Avenue Road from the 16th Cross Road to the temple Road in a portion of the - village site, and survey No.1 of our Panganathapur, under the orders of he then Dewan Saheb and Deputy Commissioner. Therefore on 16th August 1908 a petition was addressed to the Dewan Saheb, bringing to his notice that compensation due to us for several items since 1898, was not yet settled, and that now the requisite area with tender crops and trees existing in it, has been arbitrarily taken --- possession of without awarding any compensation for the - same. The Dewan Saheb came to the spot, sent for one of us, Krishnamachar and promised to settle all our claims within one month, and told him not to obstruct the work as it was urgent. Thus 1 acre and 16 guntas of our land was acquired, together with the crops and trees which - stood on it. But the promise was not fulfilled. Therefore a petition dated 13-1-1909 was presented, detailing the amounts due to us. The then Vice President sent for us shortly before his retirement, but did nothing, ---- although a compensation of Rs.260-14-8 for 1 acre and 16

guntas of the said land was sanctioned by Government Proceedings No.11296-9/M1 192-08-19, dated 13th May 1909.

(12) On 24th November 1902, the Bangalore Range Assistant Commissioner issued a notice to us, intimating that S.No.3 of our village Ranganathapur has to be acquired, while as a matter of fact a portion of it had already been taken possession of and included in the Malleswaram Extension, and that we should appear before him on 28th November 1902 in regard to the settlement of the value of the land, but he awarded no compensation for it, nor even for the portion already taken up. Consequently S.No.3 is still in our possession except the said portion. The present Vice President of the City Municipal Council has now issued a notice to us on the same subject asking us to appear before him on the 1st May 1914. It remains to be seen what he will do in the matter.

II. From the foregoing facts it will be clearly seen that we have been continuously and repeatedly urging our claims and that the amounts of compensation with interest due to us thereon, are with Government or the Municipality in trust for us.

III. We are given to understand that the Municipal Council lately passed a Resolution to the effect tht the ---- Municipality has nothing to do with the compensation for the soapnut bush which was destroyed by the Revenue Department, or for the loss of cowgrass crops &c on 39 acres 29 guntas of land acquired in our village in the year 1898-99. If it has nothing to do with it, then it must get it paid by Government from the value of the sites sold and credited to Government, because the Municipality is now in charge of the Extension on account of which the said lands were acquired, and crops destroyed.

IV. In conclusion we pray that strict orders may be

kindly

kindly issued for the settlement of our claims without further loss of time.

We beg to remain,

Honored Sir

Your most obedient & humble servants

30-4-1914.

OFFICE OF THE CITY MUNICIPAL COUNCIL,
Bangalore City, dated 22nd July 1919
4 August

From

DEWAN BAHADUR, RAJA SABHA BHUSHANA
K P PUTTANNA CHETTY, ESQ, CIE,
Honorary President, City Municipal Council,
BANGALORE CITY

Rl 342-13-10

To

B. RAMASWAMAIYA Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

With reference to your letter No.4924/M1 342-13, dated 4th March 1918, and my letter No.211, dated 25th January 1919, regarding the claims of the Kayamguttadars of Ranganathapur to compensation on account of their lands acquired for the requirements of the Malleswaram Extension, as enumerated in their petition dated 24th April 1914, to the Dewan of Mysore, I have the honour to report hereunder, the - details of the same -

(1). Compensation for survey No 3, of Ranganathapur Kayamgutta Village, measuring 2 a - 30 g, and the trees standing thereon Under the Government Notification No 11705/M1S 3455, dated 23rd April 1900, the whole of this Survey number was declared for acquisition on account of the Malleswaram Extension, On the 24th November 1902, Mr.D.M. Narasinga Rao, the then Assistant Commissioner, Bangalore Range, issued the necessary notice to the Managing Kayamguttadar Anur Krishnamachar of the Village on whom it was served on 26-11-1902, but nothing - further was done Therefore Mr.B. Ramaswamaiya who was the Vice - President of the Bangalore City Municipal Council, and also the Land Acquisition Officer, issued fresh notices to the parties concerned, and on their appearance, settled this case on 17th June 1914, and paid them a compensation of Rs.266-11-2

(2). Compensation for 1 - 16 of land partly out of survey No.1 and partly out of the Gavatan of Ranganathapur, taken up for the continuation of the Champaka Avenue Road of Malleswaram to meet the Tumkur Road. This was also settled by Mr.B. Ramaswamaiya on 20th June 1914, and the compensation of Rs 260-14-8 sanctioned in Government Proceedings No.11296-9/Ml.192-08-19, dated 13th May 1909, and an additional compensation of Rs.4-2-9 for trees &c., was paid by him to the parties concerned.

(3). Compensation for the loss of Seegaybeli (Soap nut bush of Ranganathapur, cut down by the Revenue authorities in the year 1898, owing to its proximity to the New Extension) It has been ascertained that the Seegaybeli had been planted on three sides of the village for its protection, in accordance with the ancient custom and usage, and when arrangements were made for laying out the Malleswaram Extension in the year 1898, in consequence of the out break of plague, the Revenue authorities caused the soap nut bush to be cut down on Sanitary grounds as it adjoined the extension A notice dated 24th November 1898, which is in the file of the Vernacular records, appears to have been issued to the Kayamguttadars by the Amildar of the Bangalore Taluk about cutting down this bush. As it was a source of Revenue to them, they have been claiming compensation for its loss. Clause (1) of their petition to the Dewan shows that they submitted therewith an authenticated copy of the statement given by them on 27th January 1899, to the then City special Amildar Mr Subba Rao, explaining that the loss which accrued to them, amounted to - Rs 2,000/- But this is doubtless excessive The compensation registers of the successive Land Acquisition Officers from the year 1898, show that their claim has not yet been settled, and the varnicular records show that they have been continuously petitioning the authorities about it. Mr.S Venkataranga Iyengar, Municipal Council-lor of the Division, and the Municipal Engineer, who made local enquiries about the annual yield from the bush, are of opinion that the average income may be taken at Rs.24/-, and that this sum being interest on Rs.400/- at 6 per cent per annum, a compensation of

of Rs.400/- may be paid, together with similar interest up to the date of payment. This recommendation may be accepted

(4) Compensation for the loss of Ballar (Cow gram) crops which existed on 1 - 16 of land and Ragi crops on 0 - 12 of land acquired in Ranganathapur Under the Government Notification quoted in clause (1) above, the following Survey Numbers were acquired by awarding the amounts of compensation shown against them, as per the entries in the Land Acquisition Officer's compensation Register -

Survey No	Area		Compensation paid		
	a	g	Rs	a	p
19	25	22	3,534	4	6
20	24	34	3,616	1	0
21	16	16	2,497	5	9

It has been ascertained that at the time when these lands were taken possession of, Ballar crops existed in a large area, and ragi crops in a small plot only, and a Majanidar of the Survey Department was deputed to measure these several areas and submit a detailed statement The statement furnished by him, and which is in the file of the Vernacular records, shows that cow gram crops existed on 39 - 16, and ragi crops on 0 - 12 The compensation registers show that no compensation has been paid as yet for the loss of these crops The Kayamguttadars claim Rs 400/- at Rs 10/- per area, together with interest at 6 per cent per annum up to the date of payment

(5) Compensation for 1 - 24 of land acquired in Ranganathapur under the Government Notification No R/2682, dated 18th December 1901 published in the Mysore Gazette of the 2nd January 1902, for the road newly formed from Malleswaram to Malenahalli-Guttahalli to join the road leading to the palace and Cantonment The petitioners say that the then Deputy Commissioner calculated a compensation of Rs 192-12-0, and took a statement of acceptance from them, and that he did not pay the amount owing to their tenant's dispute This statement cannot be traced out in the Deputy Commissioner's Office The compensation registers show that no payment has been made Therefore the sum of Rs.192-12-0 which is reasonable, may be distributed

distributed to the Kayamguttadars and their tenant Byrappa proportionately, as may be agreed to by them, together with interest at 6 per cent per annum, up to the date of payment.

(6). Compensation for two guntas of land acquired under the Government Notification No.R/2682, dated 18th December 1901, published in the Mysore Gazette of 2nd January 1902, out of the petitioner holding viz Survey No 46 of Jacksandra, on account of the road referred to in clause (5) above The petitioners say that the Deputy Commissioner fixed a compensation of Rs 5/- for this land, but it was not paid owing to the tenants' dispute The compensation registers show that it has not been paid as yet It may be paid to them now proportionately, as in the case of the item in clause (5) above with interest thereon

2 Against the above claims, there is a sum of Rs 353/- (as per the Cheque No 30, dated 16th July 1906 issued in favour of the Managing Kayamguttadar Amur Krishnamachar) due to Government by the petitioners, together with interest at 6 per cent per annum up to date, on account of compensation awarded to them for the land acquired in their village for a cremation ground, but which was subsequently returned to them in consequence of the objections raised - against it by the residents of Malleswaram and Malenahalli-Guttahalli owing to its close proximity to the public road and the inhabited houses The land is now in their own possession and enjoyment - The said sum of Rs 353/- together with interest thereon, should - therefore be set off against their claims

3 A statement showing the amount due to the petitioners is here with appended I request that you will be so good as to obtain the orders of Government to settle these claims, and to the payment of Rs.644-12-0 towards compensation, and Rs 870-15-4 towards interest to the end of June 1919, from the provision in the current year s State Budget under "17 - miscellaneous -4- miscellaneous - Land Acquisition charges.

964

I have the honour to be,

S i r,

Your most obedient servant,

Honorary President.

To

Sir,

With reference to the correspondence with your letter No 29 of the 2nd August 1919 on the matter of the claims of the Karyamgattadars of Ramanathapuram for compensation for their lands acquired for the Mallewaram Extension I am directed to observe that the extents of land declared to be acquired under Govt Order No R-16524/15 dated 1901 for opening a road from Gattahalli to the Mallewaram Extension were only 25 guntas, but in your report and

statement accompanying A-
(item No. 3), the extent of land ac-
quired under the authority of
the said Notification was
1 acre and 24 guntas. It is
not clear under what authority
the extent of land over and above
25 guntas was acquired for
the purpose indicated of
showing the road right-of-way
from the nearest public road
right up to the above cross-
roads. The President is
hereby requested to be pleased
to direct the Collector to furnish
the complete details in the
prescribed form as indicated
above.

2. The two petitioners have
been asked by him for payment with

K P PUTTANNA CHETTY, Esq, C I E,
Honorary President, Municipal Council
BANGALORE CITY

To

B RAMASWAMAIYA, Esq., B.A. B.L.
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, BANGALORE.

S i r,

In acknowledging the receipt of your letter No.R 2916/Ml.342-13-11, dated the 30th August 1914, I have the honour to invite a kind reference to the Government notification No.R.2682, dated 18th December 1901, published in part I of the Mysore Gazette of the 2nd January 1902, from which it will be seen that no lands were declared to be acquired in Hanumanthapur village, as stated in the letter under reference, but that the requisite lands for the road from Guttahalli to Malleswaram, were declared to be acquired in the Sarkar Jackasundra and Kayamgutta Ranganathapur villages.

2. The total area of the lands acquired in Kayamgutta Ranganathapur village, is accurately 1 acre and 24 guntas, as per particulars given below --

Kayamguttadars.	Their tenants.	Kind of land.	Area. Ac.	G.
Anur Krishnamachar and other share holders.	1. H Chicka Thimmiah	Garden.	0	6
	2. Muniappa	Dry.	0	10
	3. Munibayya.	"	0	16
	4. G Siddanna.	"	0	7
	No tenants being uncultivated.	"	0	25
			1	24

The statement given by Anur Krishnamachar on the 29th May 1914, on the above subject, is on the accompanying vernacular File I.

This corroborates the above figures.

3. The only records available Viz. Files Nos I and II are herewith sent The Deputy Commissioner and the Amildar have stated that no other records are forthcoming.

4 The two petitions alluded to in para 2 of the letter under reply, are herewith returned.

I have the honour to be,

S i r,

Your most obedient servant,

Honorary President.
